

Partial List of DAKASTUM Outings, 1997-2016

Drawn from scans of official DAKASTUM registers. Incompleteness and uncertainties result from 1. my difficulty in deciphering low quality scans; 2. DAKASTUM's lack of documentation (I've marked uncertain data). The group took fewer and fewer notes after 2007.

See Chapter 4, discussion of DAKASTUM outings, for context. Brian Schrag
